PRIME LOCATION WITH ABUNDANT AMENITIES!

This exceptional property boasts an unparalleled location, situated directly adjacent to major supermarkets, pristine parklands, train station, bus route, and various convenient stores. Enjoy the luxury of not needing a vehicle, as Albany Highway is just a minutes walk away.

The existing home, constructed in 1958, offers historical charm but requires extensive attention, having seen better days (notably, the roof that has experienced a partial collapse) and some white ant damage in the extension. Additional buildings on the lot include a double tin workshop, a couple of old sheds and large alfresco.

The house & outbuildings are just a bonus as, the true highlight is the expansive 1723sqm block, backing onto the scenic Canning River, this property features R15-R40 zoning, presenting an exciting opportunity for those seeking a prime location and/or the potential to create a truly remarkable living space or spaces.
